The first centre was founded in England in 1947 by Major Ian Thomas. Capernwray Torchbearers Australia is both a short term Bible School and Conference Ministry.

Our Purpose

The purpose and goal of Capernwray Bible School is to instruct students in the content of Scripture in order that they might discover through the written word the reality of the Living Word; and to provide for each student the opportunity to discover the complete sufficiency of Christ in life and service so as to create an attitude of willing abandonment to Him irrespective of the personal consequences; and to do this in an environment of mutual respect, courtesy and love that models and expresses the character of Christ.
