

ALMIGHTY GOD

**Do you not know, have you not heard
What has been told from the start
The Almighty God is everlasting
He'll not grow tired or weary
He will not forsake you or let you down
As you learn to trust in His Name**

CHORUS

**Almighty God enthroned above
Creator of the ends of the earth
He is the Light into our souls
He lives in our hearts forever more**

**Even young men they stumble and fall
And youths grow tired and weary
But those who trust in the Lord
He will renew their strength
He'll let them soar like eagles**

DOUBLE CHORUS

INSTRUMENTAL

PRE-CHORUS

**Open up your eyes and let Him show
His love through His only Son**

CHORUS x 2

Creator of the ends of the earth
YOU are the Light into our souls
YOU live in our hearts forever more**
