

What Is GAP Jumping?

The term "Gap Jump" refers to a Gap year, a time out of education, usually between secondary school and uni or tertiary education. Are you considering taking a year off?

Capernwray Bible school presents you with the opportunity to spend a year engaging with the Bible surrounded by a close knit community of fellow believers from all parts of the world.

Challenge yourself
Gap Jumping is NOT a year off but a year ON... designed to get you out of your comfort zone as you explore and discover things about God, yourself and the world you never knew before. See God's word impacting on your life and be encouraged by others who are growing in a knowledge of themselves and of God.

At Capers you'll get Spiritual challenges; seeing what God demands from you in this life and what plans He has for you. Learn to apply God's word as you seek all that He has for you in your life. Be pushed out of your comfort zone as a Christian, with mission opportunities in schools and churches in the

community plus chances to go domestically and abroad with missions. Learn new skills which can then be used at your own church.

Community-based living
Capernwray attracts students from all parts of the globe, all seeking the same outcome of a closer relationship with God. Living with students and staff on the one campus brings its own unique dynamic experience. You'll become part of a close community with Christ at the centre.

This mixture of cultures will change how you see the world through different eyes. Mates are made which last a life-time.

These new friends will inspire you to travel further, to share common experiences and have fun!

New Friendships
Students who come to Capernwray vary in age and nationality, however the majority are straight out of high school. The community based living means genuine Christ centered friendships easily thrive.

During term breaks students often travel together experiencing all that Australia has to offer. Through the Capernwray experience friendships are made which go beyond countries and cultures. Through the Capernwray experience bonds formed with each other will last forever.

Capernwray has a 40 year history of Gap Jumping in Australia. Paul prays in Ephesians 1:17. *"It's an opportunity to firmly plant yourself in God's Word, the knowledge of his love and a community of believers, to radically prepare for your life for the journey ahead."*
