

IN THAT DAY

**Jesus You are my salvation
I will trust and not be afraid
Jesus You are living water
I will draw and be satisfied**

**In that day, I will call upon Your Name
In that day, You're my strength and my song**

**I'll sing to You and shout aloud
The glorious things that You have done
Proclaim Your Name, declare Your love
Give thanks to the Holy One Jesus**

Repeat from the beginning

**Jesus, Jesus
Holy One, Jesus**

**Jesus You are my salvation
I will trust and not be afraid
Jesus You are living water
I will draw and be satisfied**
