

SHINE LOVE ON ME

for Frances

**Shine love on me
God of my life
My prayer to You
By day and night**

**Deep calls to deep
In troubled times
My soul cries out
To the living God**

**Take me by Your hand
Walk me through the darkness
Help me in the shadows
Guide me with Your perfect light**

CHORUS

**God You are my Saviour
I sing for joy
My hope and peace
Forever more**

REPEAT CHORUS
