

WORD OF TRUTH

**The Word of truth speaks of the cross
Of Him who died to save the lost
Revealing once for all to see
The price He paid for you and me**

**Through grace and faith we gain the prize
A life with Him to glorify
That all may know through deeds of love
Our Father God in heav'n above**

PRE-CHORUS

**Today we say to You again
Not our will Lord, but Yours be done**

CHORUS

**Thank You Lord for Your Word of truth
Promises of my hope in You
Jesus Prince of Peace
My strength when I believe
You are Almighty God**

**With gentle, humble hearts we go
Around the world where no-one knows
The love of God, His Son the Christ
Our Saviour King, His sacrifice**
